STANFORD MEDICAL CENTER  
300 PASTEUR DRIVE, PALO ALTO, CALIFORNIA

DEPARTMENT OF GENETICS  
Professor Joshua Lederberg

4-29-63

I am sorry to be so obscure - Yes, I do mean to imply an interval of chemical evolution prior to the perfection of nucleic acids. However, there is no rigorous argument on this point. More recent work on the remarkable ease of chemical synthesis of nucleic acids (e.g. adenine from HCN - Oro, (Univ. of Houston) makes me wonder.

Cordially  
Joshua Lederberg
